FUN FACTS!

The history museum also boasts a fragment of the 2011 Allende meteorite, which included the heretofore-unknown mineral now called krotite.

What sets Constellation Field apart from even Minute Maid Stadium in Houston? Why, it's the outfield scoreboard in the shape of the state of Texas, of course.

Stephen Spielberg's first feature film was shot here, the aptly titled "Sugarland Express," in 1974. Also, the band Sugarland is named after our latest Good Town.
