

## Green Chair by the Numbers:

The Green Chair Project serves an average of 25 families weekly and as many as 40 families a week during times of heightened need.

2023 marked a milestone year for the nonprofit in serving their ten thousandth household, providing their ten thousandth child's bed and diverting ten thousand tons of household items from the landfill.

## 2023

The Environmental Protection Agency estimates Americans discard more than 12 million tons of furniture each year, with 80 percent ending up in landfills.
